

SMILE LABS PRICELIST 2024

Gain access to our 300 m² core facility of 12 specialized laboratories and 1,700 m² of private laboratories so you can start working on your idea from day one – without having to invest in expensive instrumentation. It's all there for you.

* From 01/2024

FIND YOUR WAY AROUND OUR CORE FACILITIES

1 Protein Lab

2 Histology

3 FoodTech

4 Biological analysis & Mass Spectrometry

5 Balances

6 Noise

7 Cell Lab 2 for primary cells

8 Cell Lab 1 for cell lines

9 Cell lab 3 for virus

10 Molecular Biology

11 Wet Lab

12 Imaging lab
